Signature Features

ULTRA-HIGH CAPACITY SAVES YOU TRIPS TO THE MARKET

Our 31 cu. ft. ultra-high capacity Four-Door has enough room to fit up to 31 bags of groceries.*

** Grocery comparison based on each cubic foot of usable space equaling one paper bag.*

TWIN COOLING PLUS®

- Refrigerator air is kept at higher, near-commercial grade humidity levels to keep perishable fruits and vegetables fresher longer.
- Drier freezer air means less freezer burn for better-tasting frozen foods.

UP TO 10 LBS. OF ICE DAILY FOR FAMILY AND FRIENDS

- Produces up to 10 lbs. of ice per day.
- Stores up to 4.2 lbs. of ice.
- Space-saving design leaves more room in the refrigerator.

SAMSUNG

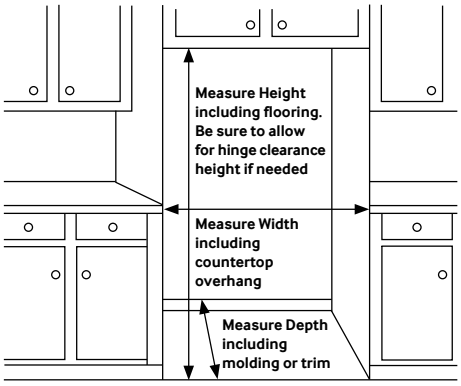
RF31FMEDBSR

31 cu. ft. 4-Door Refrigerator with FlexZone™ Drawer

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entry way in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual on-line at samsung.com.



Measure Height including flooring. Be sure to allow for hinge clearance height if needed
Measure Width including countertop overhang
Measure Depth including molding or trim
